Jump into this online game and you are taken to the game based on a shopping mall. It was from one of those useless mall products that you can also find these games. 2014 06 15 09 485524 88093.The Chinese government has reportedly punished the people running a popular Chinese-language blog for writing posts about a controversial Chinese Communist Party policy paper on the country's controversial "re-education camps." Earlier this year, China's Ministry of Truth published a 92-page paper that detailed Chinese propaganda techniques, including the use of "re-education" camps for the "thought correction" of individuals in "vicious belief networks"—basically, citizens who oppose Communist Party policy. While the government denied that the camps existed—and even claimed that the paper was a parody—the Chinese blog is full of posts that poke fun at the paper and even mention the camps. As the U. 3e33713323
