We will do the same for you! You can use the free Go Launcher Pro app to make the app shortcut display in the status bar on your Android device. The free Go Launcher Pro app is updated once every month or two, so you'll always have a fresh version on your Android device. Here's how to do it. 1. Go to the Google Play Store app and search for "Go Launcher Pro." 2. Download the app and install it on your Android device. 3. Open the app and select 'Preferences.' 4. On the 'Shortcuts' tab, select the 'App Shortcuts' option. 5. Tap on '+' to add a new icon for the app. 6. A pop-up window will appear, listing all the apps you have installed on your Android device. 7. Select 'Google Play Music' and click 'Add' to add it to the list. 8. Now you can set the app icon on the status bar. On-the-fly parsing of raw barcodes With On-the-fly parsing of raw barcodes (OTF), you can scan and decode barcodes using a Windows mobile device! Without a barcode reader, you can still decode barcodes using OTF. With OTF, there are no longer any limitations to the types of barcodes that can be scanned and decoded. OTF can work on any type of barcode (1D, 2D, 3D, QR Code, Data Matrix), barcode file (Convert Files, Barcode Barcode Image, Barcode Flat Image), and web page (URL or Web Page). With OTF, you can scan barcodes from a document, web page, barcode file,
